

SITAARAY

*The romance of India's cinema
The magic of Indian cuisine*

Our tribute to Indian Cinema

*Sitaaray ('Stars' in Hindi)
celebrates the joie de vivre and chutzpah of
popular Indian culture. An amalgam of two of India's
best exports, it's cuisine and it's cinema, it is one of
the few Indian Kabab (Grill) restaurants in the U.K.
Sitaaray honours the icons that have
captured the imagination of countless fans
in India and across the world.*

*Photographs, posters and artists' impressions pay tribute
to the legion heroes, heroines, comedians, villains and vamps.
The decor, music, films, glamour and romance swirl
together to form a dramatic canvas for 'Sitaaray'.*

*This is a small part of the owner's vast collection
which was exhibited at the Venice International
Film Festival in 2006. The embellished posters are
by artist Kanchan Chander. Most of the photographs
are by legendary lensman Gautam Rajadhyaksha,
whose exhibition at Sitaaray's opening
was inaugurated by Aishwarya Rai.*
